

Members of the Chinese National Committee for COSPAR (CNCOSPAR)

President

YIN Hejun, Vice President, Chinese Academy of Sciences (CAS)

Vice Presidents

WU Weiqi, Researcher

YANG Baohua, Researcher, China Academy of Space Technology (CAST)

HAO Zhaoping, Researcher, China Academy of Launch Vehicle Technology (CALT)

JING Guifei, Researcher, National Remote Sensing Center, Ministry of Science and Technology (MOST)

Membership

JIANG Jingshan, Academician, National Space Science Center, CAS

AI Guoxiang, Academician, National Astronomical Observatories, CAS

HU Wenrui, Academician, Institute of Mechanics, CAS

WANG Shui, Academician, University of Science and Technology of China (USTC)

OUYANG Ziyuan, Academician, National Astronomical Observatories, CAS

GONG Huixing, Academician, Shanghai Institute of Technical Physics, CAS

LIU Zhenxing, Academician, National Space Science Center, CAS

TU Chuanyi, Academician, Department of Geophysics, Peking University

LÜ Daren, Academician, Institute of Atmospheric Physics, CAS

LI Tabei, Academician, Institute of High Energy Physics, CAS

GU Yidong, Academician, Technology and Engineering Center for Space Utilization, CAS

WU Yirong, Academician, Institute of Electronics, CAS

GUO Huadong, Academician, Institute of Remote Sensing and Digital Earth, CAS

XU Ronglan, Researcher, National Space Science Center, CAS

XIAO Zuo, Professor, Department of Geophysics, Peking University

YUAN Jiajun, Researcher, China Academy of Space Technology (CAST)

WU Yansheng, Researcher, China Academy of Space Technology (CAST)

LI Yinghui, Researcher, Beijing Institute of Space Medico-Engineering

WANG Xianmin, Researcher, Beijing Institute of Space Medico-Engineering

WANG Jianyu, Researcher, Chinese Academy of Sciences Shanghai Branch

WANG Weihua, Researcher, Institute of Physics, CAS

GAN Weiqun, Researcher, Purple Mountain Observatory, CAS

YAN Yihua, Researcher, National Astronomical Observatories, CAS

LI Guoping, Deputy Director General, Department of System Engineering, China National Space Administration

YU Yude, Researcher, Institute of Semiconductors, CAS

CHEN Nuofu, Researcher, North China Electronic Power University

DOU Xiankang, Professor, University of Science and Technology of China (USTC)

WANG Chi, Researcher, National Space Science Center, CAS

WANG Jingsong, Researcher, China Meteorological Administration

CAO Jinbin, Professor, Beijing University of Aeronautics and Astronautics
FANG Guangyou, Researcher, Institute of Electronics, CAS
WANG Shijie, Researcher, Institute of Geochemistry, CAS
FENG Xueshang, Researcher, National Space Science Center, CAS
WANG Shijin, Researcher, National Space Science Center, CAS
DONG Xiaolong, Researcher, National Space Science Center, CAS
ZHAO Hua, Researcher, National Space Science Center, CAS
LU Feng, Researcher, Institute of Geographical Sciences and Natural Resources Research, CAS
JIANG Luhua, Researcher, Institute of High Energy Physics, CAS
GAO Ming, Researcher, Academy of Opto-Electronics, CAS
CHEN Hongbin, Institute of Atmospheric Physics, CAS
LI Ming, Researcher, China Academy of Space Technology (CAST)
ZHANG Bainan, China Academy of Space Technology (CAST)
LONG Mian, Researcher, Institute of Mechanics, CAS
SUN Yeqing, Professor, Institute of Environmental System Biology, Dalian Maritime University
CAI Guobiao, Professor, Beijing University of Aeronautics and Astronautics
CHAI Chunlin, Researcher, Institute of Semiconductors, CAS
ZHOU Zhixin, Researcher, Beijing Institute of Remote Sensing Information
CHANG Jin, Researcher, Purple Mountain Observatory, CAS
FENG Ji, Researcher, Institute of Physics, CAS
WEI Jianyan, Researcher, National Astronomical Observatories, CAS
ZHANG Tao, Researcher, Shanghai Institute of Technical Physics, CAS
DING Mingde, Professor, Department of Astronomy, Nanjing University
LI Chunlai, Researcher, National Astronomical Observatories, CAS
HUANG Maohai, Researcher, National Astronomical Observatories, CAS
XUE Hongwei, Shanghai Institute for Biological Sciences, CAS
LIU Lin, Professor, Department of Astronomy, Nanjing University
XU Minqiang, Professor, Harbin Institute of Technology
DENG Yulin, Professor, Beijing Institute of Technology

Secretary General

WU Ji, Researcher, National Space Science Center, CAS
LIAO Fangyu, Researcher, Chinese Academy of Sciences
LI Lei, Researcher, National Space Science Center, CAS
WANG Zhenyu, Division Director, Bureau of International Cooperation, CAS
